PROPOSALS for raiſing Money for the NATIONAL LAND-BANK.

712. Par. 1
4 to

I HAVE been very often earneſtly importuned by divers Perſons, to permit them to ſubſcribe a Sum of Money to the *National Land-Bank* in lieu of Land, which I did not then think proper or convenient to accept of; but ſince the ſaid Bank is deſigned for *a general and extenſive Good*, and ſeveral Perſons ſtill renewing their Solicitations to ſubſcribe Money to the ſaid Bank; that none therefore may be excluded from taking part of the many Advantages that will ariſe thereby, and in regard it may be a Means to unite the Owners of Land and Money in point of Intereſt, It is thought neceſſary to receive Subſcriptions for a *Million* of Money on the following Terms and Conditions, ſtill reſerving to my ſelf what I have yet to offer for raiſing any farther Fund of Money or Credit, that may be needful for the ſaid Bank.

That any Perſons may ſubſcribe what Sum of Money they pleaſe in the *preſent Subſcription-Books*, until the Value of *One Million* of Money ſhall be ſubſcribed.

That every *Fifteen hundred Pounds* in Money that ſhall be ſubſcribed, ſhall be eſteemed equal to *Two thouſand Pounds* in *Land* the ſame being the full Value for which ſuch Land may be engaged, and ſhall have an *equal Vote* in all Elections with *One hundred Pounds* per annum, or Two thouſand Pounds worth of Land; and in like proportion for a greater or leſs Sum.

That the whole Million of Money to be ſubſcribed ſhall be paid *in ſpecie*, in manner as is hereafter appointed.

That each Subſcriber, his Heirs, Executors, Adminiſtrators or Aſſigns, ſhall pay to the *Treaſurer* or *Treaſurers*, of the *National Land-Bank*, to be hereafter choſen, One tenth Part of his or her Subſcription-Money on the 29*th* Day of *September* next, or within ten Days after; One other tenth Part on the Five and twentieth Day of *December* next, or within ten Days after; and the like tenth Part on the 25*th* Day of *March* next following, or within ten Days after, and ſo to continue the like Paiments quarterly upon the four moſt uſual Feaſt-days, or Terms of the Year ſucceſſively, or within ten Days after each and every ſuch Feaſt-day or days of Paiment, until all and every the ſaid ten Parts ſhall be paid to the *Treaſurer* or *Treaſurers* of the Bank in manner aforeſaid.

That all and every the Subſcribers, their Executors, Adminiſtrators or Aſſigns, ſhall receive from the *Treaſurer* or *Treaſurers* of the ſaid Bank, after the rate of 3 *l. per cent. per annum* for all the Money they ſhall from time to time pay into the ſaid Bank purſuant to their ſaid Subſcriptions, over and above their proportionable Part of the Profits of the Bank: The ſaid 3 *l. per cent. per annum* to be paid them in two equal Paiments, *viz.* upon the 25*th* Day of *March*, and 29*th* Day of *September* every Year.

That each and every Subſcriber ſhall receive his or their Part or Proportions of the Profits of the Bank for the whole Sum by them ſubſcribed, the ſame to be computed from the time they ſhall pay their firſt tenth Part or quarterly Paiment.

That if any Subſcriber ſhall fail to pay his firſt tenth Part, or quarterly Paiment, upon the 29*th* Day of *September* next, or within ten Days after, ſuch Subſcriber's Subſcription ſhall be void.

☞ That the ſaid Bank may be a *ſafe Repoſitory* for the Money of all *Widows* and *Orphans*, It is thought fit likewiſe to publiſh, That all ſuch Money of *Widows* or *Orphans* which ſhall not be ſubſcribed towards the raiſing the aforeſaid Sum of *Ten hundred thouſand Pounds*, ſhall at any time (upon application firſt to be made to the Directors) be received into the Bank who will, pay them after the rate of 3 *l. per cent. per annum* for Intereſt, and their principal Money on demand.
